Re: Scott Feichter

Dear Sir or Madam

I have been taking music lessons (guitar and bass guitar) continuously with Scott Feichter since I began with him at Community Music Center in 2018. He is an excellent teacher. He is smart, thoughtful, engaging and comprehensive. He inspires students with his passion, humor, and positive energy. He is very hard working and dedicated to helping his students learn music and improve their musicianship in a way that is both fun, challenging and inspiring.

If you have any questions, or if I can provide any further information, please do not hesitate to contact me.

Sincerely,

Hamill Family Professor of Law and Social Psychology
University of San Francisco School of Law
